

Dear Parents & Caregivers,

**St George
College**

Our Vacation Care service will operate during the school holiday period only for students **currently enrolled** at the College.

The following changes **have/or may** be made in conjunction with the holiday program:

- All incursions/excursions are subject to change. We may need to cancel programmed activities with little to late notice based on updated guidelines and restrictions. The program **may** need to run entirely from the service, with the exception of the block/senior campus.
- Drop off and pick up procedure; parents/caregivers will be able to come on site and sign their child(ren) in/out. **You will be notified if you are required to** call the OSHC phone on 0427 991 747 for an educator to collect/drop off your child(ren) from/to the gate. No parent/caregiver will be able to come on site and an educator will sign your child(ren) in/out if this is implemented.
- Maximum of 20 children/bookings for excursions (this is because of the bus capacity)
- Hours of operation; we will be open from **8.00 am** until **5.30 pm**. This is to ensure that best hygiene practices are adhered to. The centre will be cleaned daily from 5.30pm, once the children have left, in readiness for the next day.
- Illness policy; if your child(ren) or anyone from your immediate family is unwell, please keep them home. We may ask for a medical clearance before they can return to care.
