Program Overview

During Vacation Care, your son or daughter will be involved in, but not only:

- Creative and engaging experiences in accordance with EYLF and MTOP Physical Play;
- Programmed activities including excursions, incursions, and theme days;
- Activities which are age appropriate.

Child Care Rebates:

The College's OSHC Service is approved to operate for the purposes of the Australian Government's Child Care Subsidy (CCS). We note that some families may not be eligible for CCS. We strongly recommend that you obtain a Centrelink CRN for each child and explore your eligibility for CCS.

Changes to gap fee payments from July 2023

From 1 July 2023, you must pay the gap fee using electronic means.

The gap fee is the difference between your full fee and your Child Care Subsidy (CCS) amount.

Electronic funds transfer, or EFT, is when a customer pays a bill using electronic means. Most families already use EFT to pay the gap fee. We will only accept EFT payments from 1 July. If you already use EFT to pay gap fees, you don't need to do anything. Exceptions are available in limited circumstances. This change will help the government protect CCS against fraud and non-compliance.
